LIMITED WARRANTY

The warranty obligations and limitations set forth below relate to NuCedar Mills ("NuCedar"), a division of Jain (Americas) Inc., NuCedar Clapboard, Shingle, Vertical Siding and Trim products (the "Products") sold and installed in the United States of America and Canada.

Subject to the exceptions, conditions and exclusions set forth below, NuCedar warrants (the "Warranty") that (1) during the Warranty Period the Products shall (A) be free from defects in material and manufacture that directly cause the Product to crack, rot or delaminate, and (B) resist damage caused by hail and/or termite attacks; and (C) the Products shall be free from defects in material or manufacture that directly cause the finish to chip, crack, peel or flake.

REGISTRATION

In order to register your NuCedar warranty, please visit us on our website (www.nucedar.com). Failure to register as an initial Owner within 90 days of purchase of the Product or as a transferee within 90 days of transfer of ownership of the applicable structure could result in the rejection of a future warranty claim.

WARRANTY PERIOD

"Warranty Period" shall mean a period of 25 years from the date of purchase of the Product; provided however, that each such Warranty Period will earlier terminate if the structure on which the Product is originally installed ceases to be owned by a Covered Party. A "Covered Party" shall mean the purchaser of the Product prior to installation or, after installation or use, the Owner (the "Owner") of the structure to which the Product is applied and one (1) subsequent Owner or transferee of the structure; provided that, such subsequent Owner or transferee must have registered the Warranty as provided above in order to qualify as Covered Party. No subsequent Owner or transferee after such first (1st) subsequent Owner or transferee shall qualify as "Covered Party" for purposes of this Warranty nor shall any distributor, installer, contractor or dealer once the Product is installed or used on a structure. As noted in greater detail below, NuCedar will only reimburse labor costs relating to claims submitted within two years from the date of purchase.

EXCLUSIVE LIMITED REMEDY

If, during the Warranty Period and upon compliance with the Claims Procedure, any Product proves to breach the Warranty, NuCedar shall do the following: (1) if the defective Product has not yet been installed, NuCedar shall in its sole determination either replace that portion of the Product that does not comply with the Warranty or return

the purchase price for such portion of the Product; (2) if the defective Product is already installed and the claim is not submitted within two years of the date of purchase, NuCedar shall provide replacement products in an amount equivalent to that portion of the Product that does not comply with the Warranty; (3) if the defective Product is already installed and the claim is submitted within two years of the date of purchase, NuCedar shall in its sole determination either repair, replace or (if a finish problem) coat that portion of the Product that does not comply with the Warranty and NuCedar shall pay for or otherwise reimburse the labor costs actually incurred for any such remedial work up to an amount not to exceed twice the original purchase price of the defective portion of the Products. If the claim is submitted after two years from the date of purchase, NuCedar shall have no obligation to pay for or reimburse any labor costs but it will reimburse the Covered Party for the original retail cost of the Product; provided that, the payment shall be reduced by 4% each year such that after the 25th year the Covered Party shall not be entitled to any warranty payment. NuCedar shall not be liable for freight, shipping, taxes or related charges in connection with the foregoing remedies.
